Special Weekly Season Report of the State for the Week ending Saturday the 21st June 1924.

Number of villages newly affected.- The number of affected villages remained the same as in the previous week excepting in Srinivasapur and Sidlaghatta Taluks in which the number of affected villages has, owing to the recent rainfall, been reduced from 323 to 223. In the Hoskote Taluk, the recent rains are reported to have benefitted the whole affected area.

2. Number of villages inspected.- The number of affected villages and of the works inspected during the week by the Amildars and Sheikdars were as follows.-

District.	Number of villages inspected by		Number of villages not inspected for a month.	Number of works inspected by the Amildars.

Tumkur.	152	327	405	31
Kolar	253	527	8	114
Bangalore.	-	91	-	-

3. Rainfall and agricultural operations.- The rainfall recorded at several places in the affected parts of the State is contained in the appended statement and it is seen therefrom that the rainfall in the affected parts is not as good as in the previous weeks. The Deputy Commissioner, Bangalore District, states that there was some drizzling in Devanhalli Taluk and some showers in the Hoskote Taluk.

Harvesting of crops.- Paddy in parts of Hiriyur Taluk (yield 8 to 12 annas) and Koratagere Sub Taluk (yield 4 to 8 annas); sugarcane in parts of Turuvekere Sub Taluk are being harvested.

Sowing operations.- Ragi, paddy, jola, thogari, green gram etc., in parts of Tumkur, Sira, Gubbi, Pavagada and Kunigal Taluks and Koratagere and Turuvekere Sub Taluks; gidragi, cotton, mungar jola and til in parts of Challakere and Hiriyur Taluks; ragi, thogari, til, etc. in parts of Kolar District; paddy, natragi,

avare

avare, and ragi and til in parts of Bangalore District are being sown during the week. Sugarcane is being planted in parts of Mysore District.

Condition of standing crops.- Sugarcane in Hoskote, Anekla, Nelamangala, and Bangalore Taluks and in parts of Tumkur and Mysore Districts: jola and til in parts of Bangalore District; jola, thogari, ragi, cotton, horse gram, etc. in parts of Mysore District and ragi, paddy, jola in parts of Tumkur District are reported to be in a fairly good condition. The ryots all over the affected parts are reported to be engaged in ploughing and sowing operations.

4. Relief work and labour.- Details regarding the works in progress in the various districts are given in the following statement.

ǂ The decrease in the number of coolies in the Tumkur District as compared with the figures of the previous weeks is explained to be due to most of the coolies that were till recently employed on works, having now been engaged in the ploughing operations taking advantage of the recent rainfall.

(c) In the Kolar District, some of the works which were in progress during

during the previous week, are reported to have been stopped for want of coolies, as they are finding labour in the fields and on private works.

In the Dodballapur Taluk the works that had been started, have been stopped as the coolies are getting labour elsewhere. The Panchama and non-agricultural classes, who were reported to require labour are finding it locally for the present.

5. The prices of food stuffs.- The prices of ragi ranged from 6½ to 8 seers per rupee in parts of Tumkur District, 7 to 8 seers per rupee in parts of Kolar District, 6½ to 8½ seers per rupee in Bangalore District; while that of rice, 2nd sort, ranged from 4 to 4½ seers per rupee in Tumkur, Bangalore and Kolar Districts. The markets in the affected parts are well supplied. The returns from the various Railway Stations show that there is no large export of grain during the week to parts outside the State.

6. Fodder and cattle.- The Deputy Commissioner, Tumkur District, reports that there is still some difficulty for fodder in parts of Maddagiri, Sira, Chiknaikanahalli and Pavagada Taluks and it is expected to be less acute on account of the recent rainfall. In the Kolar District the sale of malnad hay is reported to be dull in all the fodder depots as green grass is available in small quantities. The difficulty for supply of fodder in Anekal Taluk is expected to become less and less on account of improvement in the seasonal conditions. The Deputy Commissioner, Chitaldrug District, states that fodder difficulty is diminishing in Challakere Taluk. It is reported that fodder is available in all parts of Mysore District.

Cattle are generally healthy in all the affected parts of the State.

7. Supply of drinking water for men and cattle.- In Tumkur District the difficulty for drinking water for men and cattle has been considerably reduced on account of the recent rainfall except in Maddagiri, where some difficulty for the same for men is stated to be still felt. The recent rains in Kolar District have,

it

it is reported, brought in good supply of water to a considerable number of drinking water wells. No water difficulty is felt anywhere in the Bangalore District for the present, as several tanks in almost all the Taluks have received good supply of water. The Deputy Commissioner, Chitaldurg, reports that the water difficulty is still keenly felt in Hosadrug Town. Drinking water is available in all parts of Mysore District.

8. L o a n s.- Details regarding Takavi and Land Improvement loans are given below.-

District.	Amount of loan granted, Up to the end of the week.	Amount of loan granted, During the week.	T o t a l.
	Rs.	Rs.	Rs.
Tumkur	2,17,863	13,562	2,31,425
Kolar	1,48,681 (a)	10,915	1,59,596
Bangalore	15,180	440	15,620
(b) Mysore	2,223	963	3,186
(b) Chitaldurg.	9,425	1,325	10,750

(a) Revised figures furnished by the Kolar Deputy Commissioner.

(b) The Deputy Commissioners of Mysore and Chitaldrug Districts have since surrendered the sums of Rs.1,000 and Rs.3,000/- respectively out of the Takavi allotments made to them and these amounts have again been re-allotted to Tumkur and Kolar Districts respectively for grant of Takavi and Land Improvement Loans.

9. Statement of crime and people wandering in search of labour.- There was no abnormal rise in crime in any part of the State.

10. Gratuitous relief.- 432 persons in Tumkur District and 83 persons in Kolar District were given gratuitous relief during the week. The up to date total expenditure under this head in Kolar District is Rs.719/-, while the figure for Tumkur is not available.

11. Public health.- Public health is generally good exeept for small pox in parts of Kunigal, Srinivasapur, Bagepalli, Hoskote, Devanahalli, Kankanhalli, Hunsur, and Mandya Taluks; cholare in parts of Kankanhalli, Chamarajnagar, Hunsur, Mandya, Chitaldurg, Hiriyur, Holalkere, Hosadrug and Jagalur Taluks; and plague in parts

parts of Krishnarajpet Taluk.

12. G e n e r a l.- The Deputy Commissioner, Kolar District, reports that there is no material change in the situation during the week; that the condition of the District as regards distress has improved; and that timely rains are required to enable the ryots to go on with the sowing operations. The Deputy Commissioner, Chitaldurg, reports that the recent rains have improved the situation to some extent and that there does not appear to be any sign of distress in his District at ~~the~~ present.
